Caro professor Kurt:
Muito difícil desfazer as malas.
Sensação absoluta de haveremos participado de um dos maiores eventos da Odontologia mundial. Perfeito.
Você e a Comissão Organizadora, capitaneada pelo profissionalismo da Carla, nos proporcionaram grandes momentos científicos, sociais e (por

que não ?!) espirituais, em um paraíso chamado Sauípe.

Parabéns e o "muito obrigado" dos paraibanos,
Irene, Beatriz e Ricardo Lombardi.

Dear Kurt:
Safely back again in Norway after the wonderful week in Bahia, Marit and I want to extend our heartfelt thanks to you, and to your co-workers, particularly Rolf and Carla. In my opinion, the Symposium was an unusual blend of professional authority and friendship. I have never been to a meeting where the keynote speakers blended so well with one another, and everybody felt like a team player wanting to do his/her best to make your Symposium a great success. Everything was superbly well arranged and organized, and you can be really proud of your preparations and achievements during these hectic days in Bahia.

Marit and I will remember our trip to Brasil with great pleasure, and we already look forward to come back to your country next year. A big hug from both of us,
Marit and Bjorn

Dear brother Kurt,
Just to let you know how much we enjoyed your Symposium and the hospitality that was typically Brazilian. Karla and you have done a tremendous effort with the organization of so many events and so many speakers plus all the other details. Annie and I were very pleased to have been part of this great event.
Warmest regards,
Samir

Dear Kurt,
It was a tremendous pleasure to be with you
